PREPARE AND SUPPORT YOUR MOBILE WORKFORCE FOR THE FUTURE

10 RECOMMENDED ACTIONS

1. "Implement and maintain health and well-being programs globally"
2. "Psychological health should not only be a high priority but should be incorporated in all health and well-being programs"
3. "Ensure access to medical services where local healthcare gaps exist"
4. "Implement programs that manage work-related accidents, exposures, and illness globally"
5. "Organizations should have robust systems and health programs that fulfill their duty of care obligations to protect mobile employees"
6. "Assess and manage site health risks, and ensure compliance with local health regulations"
7. "Organizations should have access to corporate medical resources 24/7"
8. "Develop and maintain enterprise business continuity and public health preparedness plans and resources to monitor and mitigate against health security threats"
9. "Use technology to target and monitor programs that improve employee well-being and health"
10. "Health agenda should be defined in well communicated policies"
