

Letter of Conformance

EU General Data Protection Regulations

This is to confirm that:

International SOS

Operates its processes, systems and data gathering activities in alignment with the existing EU Data Protection Directive and is well positioned to fully comply with the General Data Protection Regulations in advance of May 2018.

The above is based on a verification assessment of International SOS's global systems and approach to data privacy conducted by BSI at International SOS during December 2017.

For and on behalf of BSI Cybersecurity and Information Resilience.

Gavin D'Alton

Senior Manager
