

New Feature: TravelAdvisor

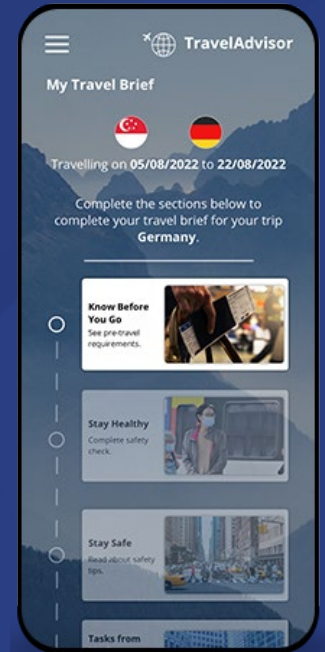

TravelAdvisor empowers travellers to secure the pre-travel information they need in order to stay safe and healthy while away from home, while also fulfilling on your duty of care obligations – all via digital channels.

Secure a Pre-Travel Brief Online

TravelAdvisor is available within the Assistance App and Portal. Travellers may obtain a pre-travel briefing and confirmation number through a series of self-guided steps.

This supplemental digital offering provides travellers with an additional channel to access pre-travel advice and guidance; however, travellers will continue have the capability to contact an Assistance Centre at any time.
