

CERTIFIED FIRST AID TRAININGS IN NIGERIA

EQUIP YOUR WORKFORCE WITH LIFE-SAVING SKILLS

A medical emergency can happen anywhere, at any time – even at the workplace. This is why it's important to **equip your workforce with life-saving skills**. First aid skills enable workers to provide immediate aid until professional emergency medical services arrive. The **delivery of first aid** has the possibility of potentially **saving a life**.

We offer different types of first-aid trainings:

- AHA Heartsaver® First Aid with CPR and AED trainings
- Basic first-aid training
- Intermediate first-aid training
- Advanced first-aid training

Our **AHA Heartsaver® First Aid** with CPR and AED trainings are **independently accredited** by the American Heart Association (AHA). The trainings can be delivered at your premises or at any agreed venue, by our seasoned instructors.

Our team can advise you on the training that would be the most appropriate for your needs. Get in touch with us now:
